RESEARCH
PROJECTS

As the principal investigator

- [1] Project title: *Micro-comparative analysis of clausal complementation across the Modern Greek dialects of Asia Minor* (3-year research grant awarded by BAP–Boğaziçi University Research Foundation, grant code: 21B12SUP1, May 2021–present).
 - ◇ *This research investigates the syntax/semantics of clausal complements in the Asia Minor Greek dialects of Cappadocia, Pontus and Pharsa.*
 - Research Assistant: Umut Gülsün
- [2] Project title: *Relatives and their relatives in Asia Minor Greek: A synchronic micro-comparative analysis* (3-year postdoctoral research grant awarded by the Research Foundation – Flanders (FWO), grant code: 12Q0719N, October 2018–September 2021).
 - ◇ *This postdoctoral research investigates the syntax/semantics of relative clauses and related configurations in the Asia Minor Greek dialects of Cappadocia, Pontus and Pharsa.*
- [3] Project title: *A comparative study of the CP-layer in Asia Minor Greek: from fieldwork to cartography*. (4-year PhD grant awarded by the Research Foundation–Flanders (FWO), grant code: FWO13/ASP/010, October 2013–September 2017).
 - ◇ *This PhD research project documented a highly endangered Asia Minor Greek dialect, namely Pharsiot Greek, and offered an analysis of the clause structure and the influence of Turkish on the clausal architecture in this dialect.*

As a researcher

- [4] Project title: *Multilingualism and minority languages in Ancient Europe* (Funded by the Humanities in the European Research Area, grant code: MuMil-EU (HERA. 15.029), 2016–2019). Principal Investigator: Prof. dr. Albio Cesare Cassio; Project partner: Prof. dr. Mark Janse.
 - ◇ *Between March 2018 and October 2018, I worked in this project as a postdoctoral researcher investigating the diachrony of complementation in the Asia Minor Greek dialects.*
- [5] Project title: *Pontus, Cappadocia and Aivali: In search of Asia Minor Greek* (Funded by European Union THALES Program & Greek Ministry of Education, grant code: AMiGre, 2012–2015). Principal Investigator: Prof. dr. Angela Ralli.
 - ◇ *During the course of this project, I collected Cappadocian Greek lemmas for the database for a tridialectal (Pontic, Cappadocian and Aivaliot Greek) online dictionary, and provided etymologies for these lemmas.*
- [6] Project title: *The Linguistic construction of social identity in Cappadocian-Greek communities* (Funded by the Special Research Fund–Ghent University (BOF), Belgium, 2009–2013). Principal Investigator: Prof. dr. Mark Janse.
 - ◇ *Between April 2012 and September 2013, I worked in this project as a pre-doctoral researcher investigating the sociolinguistic situation of Cappadocian and Pharsiot Greek dialects.*
- [7] Project title: *Preservation of the linguistic heritage: The Cretan dialect in Western Turkey* (Stavroula Toula Private Foundation, Greece, 2009–2011). Principal Investigator: Prof. dr. Angela Ralli, Cooperator: Prof. dr. Aslı Göksel.
 - ◇ *During this project, I collected oral data from Muslim speakers of Cretan Greek dialect in Alibey Island (Balıkesir), transcribed a part of the data recorded, and did syntactic research on the data.*
